

Rutland Veterinary Centre

## Exciting opportunity for a full-time Registered Veterinary Nurse

We are the only INDEPENDENT practice in Rutland and are seeking an experienced RVN to work between our main branch in Uppingham and our brand-new branch in Priors Hall Park, Northamptonshire.

This role will suit a confident RVN who is happy working sole charge in the new branch one day a week. You should be enthusiastic, forward thinking and highly motivated.

Our new branch will be community focussed; therefore, a positive attitude and a friendly nature is a must.

Our staff are our most important asset; we provide strong mentorship and support so you get the most out of your role. We are fortunate to have a team of experienced vets and RVN's, along with dedicated support staff all of whom share our passion for providing high standards of veterinary care to our patients.

We hold regular clinical club meetings where all our vets and nurses can get together to discuss cases and exchange ideas.

Our full-time nurses work 4 days a week on a 8am-6pm or 8.30am-6.30pm shift pattern. We pride ourselves on offering our own out

of hours service and are moving to hospital status in the New Year therefore you would be expected to participate in a 1:5 weekend rota.

There is no weekday on call with this role.

If you would like to be part of a friendly team, work in an independent family run mixed practice with people who understand the need of a work/life balance, we would really love to hear from you.
